Invitation to Industry

The **DiabetesKarnataka-2026** conference is a pioneering event, bringing together clinicians from across Northern and Southern Karnataka on a single platform to advance medical education.

MedBel Global Healthcare & Research Foundation is proud to present this inaugural Conference, **DiabetesKarnataka-2026**, to be held at the Welcomhotel by ITC Hotels, Belagavi, on June 13th & 14th, 2026.

Our program features a comprehensive lineup of **Orations**, **Keynote** Addresses, **Honor** Lectures, and **Plenary** sessions, alongside interactive **debates**, **workshops**, and **theme-based** symposiums. We are also pleased to offer specialized **hands-on** training sessions.

Through collaborative discussion, we are dedicating specific sessions and topics to meet the interests of our participating Pharmaceutical, Technology, and industry partners.

A distinguished "galaxy" of eminent national and international speakers will headline this two-day event. The final program, including the full speaker and session details, will be released shortly.

DiabetesKarnataka is an ideal platform for industry partners to express their solidarity with the medical profession. DiabetesKarnataka is a program with high practice impact from a team with high credibility. The program is designed to provide doctors with sessions that are relevant to practice, with a focus on learning newer therapies and skills while honing and strengthening existing ones. DiabetesKarnataka provides a special opportunity for the industry to showcase itself and connect, interact and network with healthcare professionals. We have worked hard to ensure that physical and online connect with stakeholders is unmatched.

We look forward for your continued collaboration and association with MedBel.

About the Conference

Unlock a unique blend of global innovation and local expertise. We've handpicked our faculty and scientific content to tackle your toughest clinical dilemmas, ensuring every session provides maximum relevance for practitioners.

We have integrated the collective experience of a world-class faculty into a program designed to maximize the clinical utility of recent developments in Diabetology and Endocrinology. These interactive learning experiences are curated to elevate your clinical decision-making and advance your practice to the next level. These include:

- **Plenary:** Science from the master's perspective.
- **Clinical Case Seminars:** Every day medicine gets an expert treatment.
- **Symposia:** Getting the basics right in care.
- **Translating advances to future therapies:** Which advance will become a standard of care?
- **Debates:** incident reflection.
- **Workshop:** Hands on Care.

About MedBel

MedBel Global Healthcare & Research Foundation is a Section 8, not-for-profit organization established in 2025, dedicated to advancing medical and healthcare education, driving impactful research, and improving access to quality healthcare for underserved communities. Our mission is to empower healthcare professionals with continuous learning opportunities, foster global knowledge exchange, and deliver compassionate medical support to those who need it the most.
